<i>SIMULATED CORE CURRICULUM TESTS (Summative Assessments)</i>				
Online/download license or printed books?	Annual Online/Download License Fee - includes 2 SCCT summative assessments (usually administered A, B, A) for school printing and/or on-screen use; Answer Key; and Set Up Fee @ \$350.00			
Online/download - Example with 50 students:	DOWNLOADED TESTS Total cost of the test plus the # of students being tested times \$2.00 per test for grading and analyzed data reports. The \$350.00 License Fee Test Access, plus \$2.00 Test A x 50 students, plus \$2.00 Test B x 50, plus \$2.00 Test A x 50 students = \$650.00.			
Printed books - Example with 50 students:	PRINTED TESTS include books for test A, test B, reuse test A; Answer Sheets for Test A, B, then A with grading and analyzed data reports @ \$24.00 per student. The # of students x \$24.00. So, 50 students x \$24.00 is \$1,200.00.
