NOTES: Teacher of the Year designations are from formative assessment data; Top Benchmark Class is from summative assessment data; Success with OAS Goal Achieved is when number of OAS Objectives required equals number of OAS formative quizzes administered - number varies by grade level and content area according to the Oklahoma Academic Standards (OAS) from the Oklahoma State Department of Education. Teacher identified may or may not have provided instruction to the class during the whole period from Sept. 2017 to April 2018. All progress-monitoring assessments (c) 2018 Alpha Plus Systems, Inc.
